Previous page: Berlin Wall Memorial, Bernauer Strasse.

Then and Now

1,084 photos taken by the East German border troops in the 1980s provide a complete topography of the wall. Fifteen years after the wall was torn down, Dajana Marquardt returned to the places where the military took the photos, and took comparative shots.

You can view all the pictures at: www.chronik-der-mauer.de/thenandnow
