## Background and Aims

NECE is an initiative for networking citizenship education in Europe. A variety of activities have been developed within its framework to encourage contacts, co-operation and synergies. Besides the inspiration of trans-national discourses on topics and challenges of citizenship education and the stimulation of knowledge transfer several European projects have been established during networking events. The follow-up workshop in Trent provides the opportunity to advance existing co-operation projects and to include new partners. Furthermore new projects shall be encouraged. Communication and lobbying strategies as well as possible funding sources for the projects will be presented and discussed.

The workshop will be held in English. Translation and/or interpretation will not be available.
